

**Resources for learning English**[\(/english-resources/\)](/english-resources/)**3000 most common words in English**

With 2,500 to 3,000 words, you can understand 90% of everyday English conversations, English newspaper and magazine articles, and English used in the workplace. The remaining 10% you'll be able to learn from context, or ask questions about. However, it's essential to learn the right English vocabulary words, so you don't waste your time trying to memorize a huge collection with very little benefit. The list below seems long, but when you can use all these words with confidence, your English vocabulary will be fully functional.

**Which word doesn't belong?**

- ☐ juice
- ☐ wine
- ☐ whiskey
- ☐ plain
